Education Takes Faculty Abroad

By attending educational institutions in England, France, Spain, Italy, Canada, Mexico, the Philippine Islands, and thirty states throughout the country, the school faculty has acquired much knowledge in various fields.

Nearly all the teachers have done graduate work — some at their alma maters, many at other colleges. Two of the most interesting cases are those of Mr. Robert W. Hood and Miss Irene Zizak; the former obtained his master's degree at Mills College, and the latter attended a summer school session at Yale.

Teachers in the news include Mr. Gilbert C. Daly, Mr. James Harlow, and Mrs.

Eileen Murphy, who won fellowships to various colleges last summer. Spending his summer abroad, Mr. Frank M. Keene studied the democratic processes of Karala state in India.

Costume designing, student court, student government, science seminar, driver training, synchronized swimming, harmony, and algebra theory-solid geometry were among the more than 110 different courses included in the curriculum this year. All students must complete courses in English, physical education, biology, United States history, world history, American problems, first aid, swimming (unless excused by a doctor), and driver's education to graduate.

MISS VIRGINIA SOCOLOFSKY DEAN OF GIRLS

Besides tending to girls' affairs in general, Miss Virginia Socolofsky supervises the counselors, has charge of the master calendar, and is responsible for the transference of folders of those students who either leave school before graduating or transfer to or from another school. In addition to these duties, Miss Socolofsky sponsors Acorn Council and Club Council, and is co-sponsor of the International Club.

Vice-Principals Have Many Duties

MR. ALFRED GIBBS DEAN OF BOYS

At the helm of the boys' department is Mr. Alfred Gibbs, who directs the maintenance of the buildings and grounds, manages financial matters along with Mrs. Myrtle Matthews, the school treasurer, and orders those materials for which payment is made through the school bank. Groups which wish to reserve any part of the building contact Mr. Gibbs, who sponsors Ticket, Keyes, and Cafeteria Committees.

Oakland High students win their share of scholarships, honors, and awards. Prizes earned by the class of '60 totaled approximately \$50,000; announcement of most of the scholarships won by the class of '61 had not yet been made when the Bucket went to press in April.

Each year about 550,000 high school juniors take the test given by the National Merit Scholarship corporation. From this group 10,000 high-scoring semi-finalists emerge. Scores from the college board exams help determine which students become finalists. Then, from the finalists, the group is narrowed down to a select few who are distinguished as National Merit Scholars.

Senior Sylvia Vrecko brought honor and distinction to OHS this year by being named a National Merit Scholar—the first Merit Scholar from this school. Karen

Fong, Chris Heyse, and Dave Weintsein, also seniors, reached the finalist stage in this competition. Twelve other students received letters of commendation which were sent to their first and second choice colleges.

In addition, 29 students became California State Scholarship Commission semi-finalists in March. Selection of scholarship winners was to have been made in April. Semi-finalists included Mary Alfier, Carole Bender, Kris Brorstrom, Susan Crane, Paula Frazier, Bruce Fremming, Linda Hederman, Karen Fong, Randy Fong, Karni Glanz, Ed Griswold, Chris Heyse, Werner Jeltsch, Cheri Knigge, Dewey Knight, Lynn Leatherman, Judy Mammon, Bill McConnell, Pat Melchonian, Carol Peterson, Kathy Sheridan, Alan Tompkins, Ron Tuschiya, Darlene Ushiro, Sylvia Vrecko, Dave Weinstein, Tom Weisner, Arlene Weiss, and Cliff Yokomizo.

BANK OF AMERICA AWARD WINNERS For The Oakland Zone

LEFT TO RIGHT: Randy Fong, first place, vocational arts; Sylvia Vrecko, first place, liberal arts; Dave Weinstein, first place, science and mathematics. **NOT PICTURED:** Kathleen Johnson, third place, fine arts.

Dave Weinstein is winner of a \$700 Bay Area Engineers' Week runner-up scholarship.

In a contest sponsored by the National Council of Teachers of English, Sylvia Vrecko was named an achievement winner, while Carole Bender and Karen Henderson were designated as runners-up. To earn these honors, the students submitted an English composition, took tests on literary awareness and composition, and wrote an impromptu essay.

Achievement award winners in the Bank of America 1961 program were Randy Fong, vocational arts; Kathleen Johnson, fine arts; Sylvia Vrecko, liberal arts, and Dave Weinstein, science and mathematics. These students, chosen by their schools, received trophy plaques and were eligible to compete for zone and final cash awards. Students who received certificates of

merit include Marilyn Brown, art; Karen Fong, foreign language; Bruce Fremming, mathematics; Dagny Kleiven, home economics; Pat Melchonian, social studies, and Arlene Weiss, business.

Dave Weinstein won a \$700 runner-up scholarship during Bay Area Engineers' Week in February. Fifty-eight students from Bay Area high schools competed for the awards. After interviewing the applicants, judges chose ten zone winners, who received slide rules. The zone winners were interviewed again, and the three cash award winners were selected.

Dave also won first prize, a \$50 bond, in a contest sponsored by the Alameda County chapter of the American Association for United Nations.

Six students took advantage of the accelerated programs offered at the University of California and Oakland City College this year. Judy Baston and Dave Weinstein attended Cal, taking Sociology 30 and Political Science 1 respectively. Carol Peterson, Vicki Stevens, Jim Street, and Alan Tompkins attended O.C.C. These six students earned college credit and dropped up to two high school classes.

Started in 1916, the California Scholarship Federation rose out of a high school principals' convention held in Oakland.

To become a member of CSF, a student must earn 10 points from his semester grades. An "A" counts three points, a "B" counts one point; a maximum of one point may be counted for leadership in extra-curricular activities. P.E., R.O.T.C. and band (when taken in place of P.E.) do not count.

Students attain sealbearer status if they have maintained membership in CSF for four semesters, including one semester in their senior year.

Pointing to their home countries, Austria and Turkey, respectively, are Britta Berger and Ahmet Orge, foreign exchange students to OHS.

While the world is full of unrest and cold war today, Oakland High School is trying to do its part to develop favorable international relations by participating in the American Field Service foreign exchange program.

This year two foreign exchange students from abroad—Britta Berger from Austria and Ahmet Orge from Turkey—attended OHS. Meanwhile John Hanson and Margaret Tennant, Oakland seniors, lived in Norway and Germany, respectively. The preceding school year Lynn Leatherman, class of '61, went to New Zealand; junior Lindy Corneille is presently staying in New Zealand.

Brigette (Britta) Berger hails from Innsbruck, Austria, where she was one of four girls who were enrolled at a boys' school. Although she finds that she has to work harder here because of the strange language, Britta feels that the OHS curriculum is easier than the Austrian. In Austria, Britta took 17 subjects three or four times a week. Hoping to become a simultaneous

Margaret Tennant and two German foreign exchange students welcome the American ambassador from Bonn to a special program which informed the German people about America.

translator, Britta has taken English, German, and French. Britta stayed with the family of senior Susan Holland.

Turkish foreign exchange student Ahmet Orge was born in France and has attended an American school in Syria. Ahmet thinks subjects here are harder than in Turkey because we attend the same classes every day. Interested in electronics, Ahmet would have liked to stay in America a year longer to take mechanical courses which are not offered in Turkey. Plans for Ahmet's future include studying French, English, and Turkish at a university in Turkey or Europe, and either entering the engineering profession or playing a political role in the diplomatic service. Ahmet lived with the Adolph Mortensens this year—Mr. Mortensen teaches industrial arts at Oakland High, where his son Carl and his daughter Susan attend school.

Norway provided a home for senior John Hanson for approximately seven months. During the summer

and holidays, John lived with the family of Bjarne Nilsen in Oslo. The remainder of the time John stayed at a boarding school, Bo in Lands gymnas.

Extracurricular activities, a good student government, and a wide selection of subjects are the advantages of Oakland High, decided Margaret Tennant, foreign exchange student to Germany. Margaret attended school in Hannover, Germany.

After attending a New Zealand boarding school, Lynn Leatherman realizes how much freedom Oakland High students have in student government. While students run cabinet, executive committee, delegate assembly, and student court here, only a few students are selected to keep order at the girls' school where Lynn stayed. Those who broke the school rules were sent to either the head master or mistress. Lynn also discovered that there was no school newspaper.

Junior Lindy Corneille is presently living in New Zealand.

Lynn Leatherman and her New Zealand schoolmates are leaving to attend an inter-school sports event.

Helping Lindy Corneille '62, with plans for her trip to New Zealand is Lynn Leatherman '61, former OHS foreign exchange student to New Zealand.

PRINTERS: Oak Leaves, OHS' literary magazine, is printed entirely by student printers under the direction of Mr. George Outland.

Publications inform and entertain students at Oakland High. The Aegis, the student newspaper, is issued every sixth school day, while the Oaken Bucket, the yearbook; Oak Leaves, the literary magazine, and the student handbook are published annually.

Founded in 1886, the Aegis is the oldest high school newspaper in California. The thirteen members of this year's staff, with the help of junior journalism students, gathered, wrote, and edited the news which informed the students of the happenings at school.

The yearbook staff, aided by artists from Miss Susan Parrish's classes, recorded with pictures and words the story of school life. Until the 1930's the Oaken Bucket had been called the Aegis.

Oakland High's literary magazine, Oak Leaves, is nationally distinguished, having achieved a first place rating in the high school literary-arts magazine division of the Columbia Press Association. Students create poems, essays, stories, and illustrations for Oak Leaves, which is printed in the school's print shop.

By including information on school customs, regulations, and leaders, the handbook helps new students become acquainted with OHS.

"Who says I'm shouting!" shouts Uncle Chris.

Behind the scenes, our stage crew works diligently, unseen by the OHS student body. In an assembly an unknown crew member supports a shaky backdrop.

Assemblies Take Planning

Entertaining in one of our spring assemblies were the "Injunaires" of the Dartmouth Glee Club. The group sang many kinds of songs.

Amidst a setting of banner and flag the cheerleaders arouse the spirit of the student body for the upcoming game.

Helping to make all our assemblies possible is our sound crew. Members put in extra time planning interesting sound effects.

Mop, bucket, and broom in hand, the stage crew prepares to go to work.

Cabinet Heads Government

Divided into three branches, the government of Oakland High School is a replica of the present day United States government. The executive, legislative, and judicial branches are successfully run by the students.

Student Body Presidents Dave Weinstein and "Buz" Carpenter headed the cabinet, the executive branch. Elected cabinet officers selected various committee chairmen who comprised the executive committee.

The legislature, Delegate Assembly, was led by Lois Atkinson and Ron Doxey, fall and spring vice presidents respectively. Presenting, discussing, and voting on laws are the duties of the delegates, who are chosen by homerooms.

Students who violate the laws must appear before the Student Court, the judicial branch of Oakland High's government. Chief Justice Ron Doxey presided over the court in the fall, as Phil Ritter did in the spring. Associate justices assisted the chief justice with his decisions.

P.E. Program Rounds Out Curriculum

One pound . . . two pounds . . . three pounds . . . four pounds . . .

Great scott! a four-legged senior playing basketball???

Headed by Mr. Paul Berger and Miss Doris Petty, this year's gym program strove for better physical fitness.

Aside from the usual seasonal sports which all classes participated in, the ninth grade boys had extra sports such as tumbling, wrestling, and swimming. Competitive sports after school for the ninth graders consisted of football, basketball, softball, and track. The soph boys experienced additional sports in tumbling and wrestling. The juniors and seniors took an additional course in track.

In addition to the usual program, the senior boys had a two week period of first aid. The tenth graders also received a course in drivers' education.

Most boys who participated after school in sports were programmed into seventh period gym. This period is concentrated work in specific fields of sports.

Aimed toward greater fitness, a week of physical training usually climaxed each six week grading period in the boys' physical education department. This consisted of pull-ups, push-ups, 75-yard dash, vertical jump, and burpies.

"To improve skills in sports and co-ordination are the goals in the girls' physical education classes," stated Miss Doris Petty, head of the department.

Sports for the OHS girls consisted of basketball, volleyball, paddle hand ball, and softball, when they could chase the boys from the upper field.

The tenth grade girls took a required course in swimming. Other swimming courses available to the girls this year were life saving, synchronized swimming, and two elective swim classes for juniors and seniors.

Tenth grade girls also received a course in drivers' education, and the twelfth graders took a course in first aid.

During seventh period an advanced course was given for girls who excel in sports. Also during seventh period, sailing was offered in the fall and golf in the spring for interested students.

High-Spirited Gridders Lack Experience

Quarterback Bob Cone (36) gives the ball to all-city fullback Elvin Bronson (57), who smashes through the middle of the Tech line while Cone continues the play by faking to halfback Larry Sims (49).

Coach John Marks

Asst. Coach Laurance Butzer

Under their new coach, John Marks, the OAL defending champions failed to retain their title. Hampered by costly injuries and inexperience, the team was unable to hold the line in their first three practice encounters. Tennyson, San Lorenzo, and St. Mary's easily ran over the Wildcats with scores of 25 to 14, 26 to 0, and 13 to 7, respectively.

Coach Marks said, in effect, "This team took to the turf with high spirits and morale. Their opponents were strong, but they never gave up. The Oakland High student body should be congratulated on its continuous spirit which boosted the team's morale and brought our school the coveted Keyes Trophy."

In Oakland's first league game against McClymonds, the Wildcats only once put on a sustained drive and penetrated McClymonds' goal line. Mack showed good speed and team work as they clobbered the Wildcats 36 to 7.

The Wildcats' next opponents were the Hayward Farmers in a mid-season practice game at night. Playing a spirited game but being unable to create any type of attack, Oakland was run over by the powerful Hayward team with the score of 33 to 0.

Still determined to win, the Wildcats

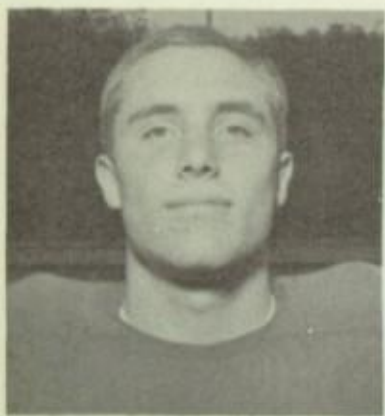

tried to hold their ground against their all-time threat, Castlemont. However, the Knights easily found Oakland's weaknesses as they romped over the Wildcats 34 to 7. Scoring Oakland's lone T.D. was Dennis Neal's 18-yard scamper to pay dirt.

Fremont, seeking revenge for last year's championship game, got its wish as it handed the Wildcats their third straight defeat by scoring a 26 to 7 victory. Setting up the Wildcats' only score was a beautifully executed 51-yard pass play from Harold Lewis to Dennis Neal.

The most exciting game of the season was against Tech, when the Wildcats and the Bulldogs clashed at Fruitvale to stay out of the cellar. Oakland and Tech, both with an 0-3 league record, were looking for their first OAL win.

Even though Oakland was successful on a 40-yard pass combination from Bob Cone to Bob Holman, the Wildcats received a 25-6 drubbing at the hands of the Bulldogs.

Although the Wildcats were inexperienced, two seniors and one junior made second string all-city—Les Smith, senior guard; John "Bull" Wilson, senior tackle, and Elvin Bronson, junior fullback. Leland Kraemar, junior tackle, received honorable mention.

Powerful Kittens Show Future Promise

Coach Jim McHugh

Title contenders to the end of the season, Coach Jim McHugh's hustling JV gridders wound up third in the tight OAL race. Boasting a powerful offense, the Kittens scored 111 points to their opponents' 84, averaging better than $2\frac{1}{2}$ touchdowns a game.

After practice games came the Kittens' first league game against invading McClymonds. Without the support of halfback Bob Edwa and fullback Harold Lewis, who had been moved up to varsity, Oakland dropped a thriller as McClymonds was able to eke out a 6 to 0 victory giving the Kittens' their only shutout of the year.

After a bye, the Kittens traveled to Castlemont, where after four hard quar-

ters of play the score ended in a 7 to 7 deadlock. The most memorable event of the game came when the score was 7 to 0 in Castlemont's favor. Oakland's Willie Aikens found a big hole on his own three yard line. When the dust had cleared, Willie had completed the longest run in OHS's history — a 97-yard scamper which tied the score.

Without an OAL victory behind them, the JV's played their next game at Fruitvale Field against Fremont. The determined Kittens, "playing their best game of the season" as Coach McHugh stated after the game, completely ran over Fremont 25 to 6.

Closing out the season, the Kittens hosted Tech, tying them 26-26.

Past Preps Given Recognition

Senior "Buz" Carpenter receives applause from his teammates and coaches while being presented the "Most Inspirational Player" award for football.

To those students who participated in last year's spring sports and were not able to receive credit in the 1960 yearbook for their achievements, this year's Oaken Bucket would like to give honor.

The '60 cindermen showed potential as they placed fifth in the city. The team was led by all-city trackman Archie Green, who tied for first at the state meet and was rated as one of the four best high jumpers in the nation.

Oakland's finmen last year were unable to place better than last in a very close OAL race. Jim Baird placed on the all-city roster by swimming the 200- and 400-yard freestyle.

The 1960 golf team easily captured first place in the Oakland Athletic League. With returning lettermen Bob Graham,

Clayton Jones, Bruce Blackman, and Mike Knibbe, the '61 golfers should have been the team to beat.

Placing third in the OAL, last year's tennis team was supported by all-city men Ron Spangford and Jeff Jue. Coach John Walsh felt that with Jeff returning this year's team should have improved from last year.

The '60 horsehidors surprised many teams by placing fourth in the city. With no all-city men, Coach Marcoulis's nine had played a hard fought season.

Last year's winner of one of the most coveted awards at OHS, the Woody Allison perpetual trophy, was Ron Meis. He won this award for his outstanding sportsmanship in football and baseball. This is one of the highest honors an athlete can receive during his stay at Oakland High

Football Queen —

1960 Queen Crowned at Tech Game

With the half time score 12 to 0 in Tech's favor, Oakland rooters had little to cheer about. But when fall song girl Ginny Crosbie and Carole Lenci walked onto the playing field, the stands buzzed with excitement. Oakland High's 1960 Football Queen was about to be announced.

Chosen earlier in the week to represent their classes as attendants, Zoe Kenton, junior; Mary Lou Allen, sophomore, and June Collins, freshman were presented to the crowd first. After the senior attendants, Lois Atkinson, Anne Galvan, and Ginny Oas were announced, the week-long suspense was over.

Senior Sue Van Winkle stepped through the white "O" and her reign began when she was crowned by football team co-captain Les Smith. The 1960 crown will become a perpetual one.

Oakland's mascot, Willy, presented Oakland's second queen with a dozen red roses. Then amid the applause of the audience and the blare of the band, Willy escorted Queen Sue from the field.

Gridiron co-captain Les Smith, crowns Sue 1960 Football Queen at half time ceremonies while song girls Ginny Crosbie, Carole Lenci, and Willy the Wildcat, Oakland's mascot, look on.

Senior Sue Van Winkle reigned as Oakland High's second Football Queen. This striking blonde took part first in homeroom, then class, and finally student body competition before becoming victorious.

Showing little improvement from last year's squad, the OHS casabamen again wound up last in the rough Oakland Athletic League. Beginning as last year, the cagers dropped their first four practice games. The surprise of the year for the Oaklanders came with their fifth practice opponent, Sunset. After losing 22 consecutive games, the Wildcats found the victory column as they downed the new high school 42-30.

Fighting hard to remain out of the cel-

lar, the Wildcats rested their hopes on the shoulders of Bob Herring, their greatly improved center. Unfortunately their inexperience reigned as the cagers were unable to put forth a consistent game. At the end of the season the team showed little improvement with a 1-17 record.

Although the Wildcats had no all-city men this year, Bob Herring received all-city honorable mention as well at winning the "Most Valuable Player" award for the Oakland High team.

JV Basketball—

Casabamen Capture Second Place

Proving that height alone is not the only factor for a winning season, this year's "short" JV cagers wound the season up with a 10-8 record, placing second in the city.

Bob Woodford, Terry Moreland and Dennis Neal dominated the backboards as the Kittens played defense minded games.

Two outstanding stars on the JV squad were guards Mickey Faeth and Larry Atkins.

After the season had ended, Coach Marcoulis stated that "On the whole, the team's success rarely depended on one single individual. The Kittens played a balanced scoring offense and good solid team defense."

With six returning lettermen, the rugged horsehidors hustled all the way to the finish of the season this spring.

"Our objective is to win and with a hard aggressive team we can't help but do that," stated Coach Mike Marcoulis at the beginning of the season. Applying this attitude, the varsity forces met all their opponents head on with a great spirit and desire to win.

With only three seniors, Bob Blanco, Jim Hutzler, and Ken Kelly, Coach Marcoulis worked for future strength through experience.

The nearly all-junior team had a very good chance of capturing the crown for all the schools were almost equal in strength in a very strong league. Each OAL school played the Wildcats three times in what held promise of being a very exciting season.

Oakland High's track team began the season by showing sparks of good potential.

The team was loaded with returning lettermen and experienced Jayvees which is a great asset in league competition.

Under Coach McHugh, the key men on the squad included Phil Torbet, Kent Anderson, and Elton Cox running the 880; Buck Ravenscroft, mile; Hal Bostic and Ben Haywood on the high jump; Ron Cottingham, 100 and 220 yard sprints; Les Smith, shot put; Tom Ford, 440, and Terry Miller at the pole vault.

Coach McHugh stated early in the season that Castlemont and McClymonds should take first and second respectively and the other three schools should fight it out for third.

As inexperience has hampered many of the varsity throughout the year, it took its toll of the wrestling team. Although placing last in the Oakland Athletic League, this year's team had Elvin Bronson and James Porter place first in the city and Bob Nelson and Ted White place second. In addition to gaining all-city recognition, Bronson and Porter came in third and fourth respectively in the Northern California meet.

Proving to be the main stronghold of the team was James "Big Daddy" Porter as he won all eight of his OAL matches, seven of them by pins.

Gymnasts Balance, Tumble, and Swing

With only two returning lettermen, seniors Manuel Hernandez and Dennis Gregory, this year's gymnastic team may have found the going rough.

Manuel excels on the rings and in the rope climb, and Dennis, in sidehorse and free exercise. Other seniors who strengthened the team were Tim Stowe, parallel bars; Luis Castillo, rings and rope climb, and Ken Peel, rings and high bar. An outstanding junior was Mark Smith who was

an all-around gymnast.

Giving added support to the team were Jack Ideta, Earl Decker, Van McKinney, Dan Mazmanian, Bill Loftin, and Bob McIntyre. Sophomores Larry Booth, Ted White, Sam Cobb, and Jerrold Ow should strengthen next year's team.

Coach Bud Call stated at the beginning of the season that the team probably will not repeat last year's championship performance, but it should have some outstanding individual gymnasts.

"Wet Gazette," the annual water show, was presented by the girls' synchronized swim classes under the direction of Miss Verna Simmons, their coach.

The 120 girls who participated planned their own choreography and made their own costumes. These girls practiced more than two months to be able to perform the difficult water acrobatics with precision.

The show consisted of routines which represented advertisements and news articles from the different sections of a newspaper. Clowns, debutantes, "B. C.", United Nations meeting, and men from outer space were a few of the many numbers.

The show featured seniors Bobbie Beneke, Cathy Castle, Diana Kaiser, and Ginny Mayfield.

Although the mermen had only three returning lettermen, Coach Golterman expected the swimming team to place high in the Oakland Athletic League. The three were John Mavis, backstroke; Jim Fanning, 400-yard freestyle, and Gregor Greig, butterfly.

The coach believed that the Tamalpais relays were an indication of how the team would place in the city as the mermen

won the first OHS swimming trophy by taking first in the 200-yard medley relay at Tamalpais.

The only thing that hurt the team, Golterman felt, was the lack of depth, yet he expected this would hurt them only against their toughest competitors, the Castlemont Knights.

Coach Golterman stated that this was the year for the team as next year it will lack experienced varsity swimmers.

Two of the sports which receive the least publicity may be those in which OHS had the best chance of excelling.

The tennis team had a well balanced attack with three returning lettermen. Paving the way was captain, and also all-city man, Jeff Jue. Along with Jeff, Coach Walsh's forces consisted of Claud Taylor, Ken

Fosse, Mark Pettit and senior transfer Chuck King.

With four returning lettermen this year's golf team was again expected to reign as OAL champions. Leading the team were returning all-city men Bob Graham and Clayton Jones. Backing these golfers were returning lettermen Bruce Blackman and Mike Knibbe.

Donna (B)
 I sure am
 glad we will
 be together next
 year, and the two
 following years to
 come, cuz I really don't
 know what I would do
 without you. You are so cute.
 Be good in the years to
 come, and I sure hope to
 see you. I hope
 to get the Impala, and we
 can go cruising around.

Class of '64—

Freshmen End 32 Year Tradition

Since 1929, freshmen have tramped, ambled and strolled through the corridors of Oakland High School. Because McChesney Junior High School will be able to accommodate more students next September, this year's ninth grade class concludes an era of freshmen here.

Under the leadership of President Dave Siegle, class parties, cake sales, and sports activities highlighted the ninth graders' debut at OHS.

Sportswise, future JV and Varsity athletes brought many thrills in basketball and football to the Class of '64.

Class of '63—

Life Begins for Sophs at Oakland

Just beginning to enter into the spirit of full-fledged high school life were the sophomores, class of '63.

Led by fall president Tim Carpenter, the class began the year by revising its constitution. With the aid of counselors Miss Verna G. Simmons, Mr. Marvin W. Thornblad, Mr. Wilbert Yuen and Mr. Lewis J. Nelson, many important changes were made.

The first activity on the calendar for the class of '63 was the sophomore class party, "Oldies But Goodies," planned in January.

With the spring semester came the elections of new officers. Linda Lee stepped into the office of president.

The largest class at OHS, the tenth graders scheduled their annual soph-hop in March. The title of the dance was "Green Grow the Leprechauns," carried out under the leadership of social chairmen Gary Langer and Sharon Akahoshi.

The sophs are well underway in raising money for their senior year with such things as pennant and cake sales.

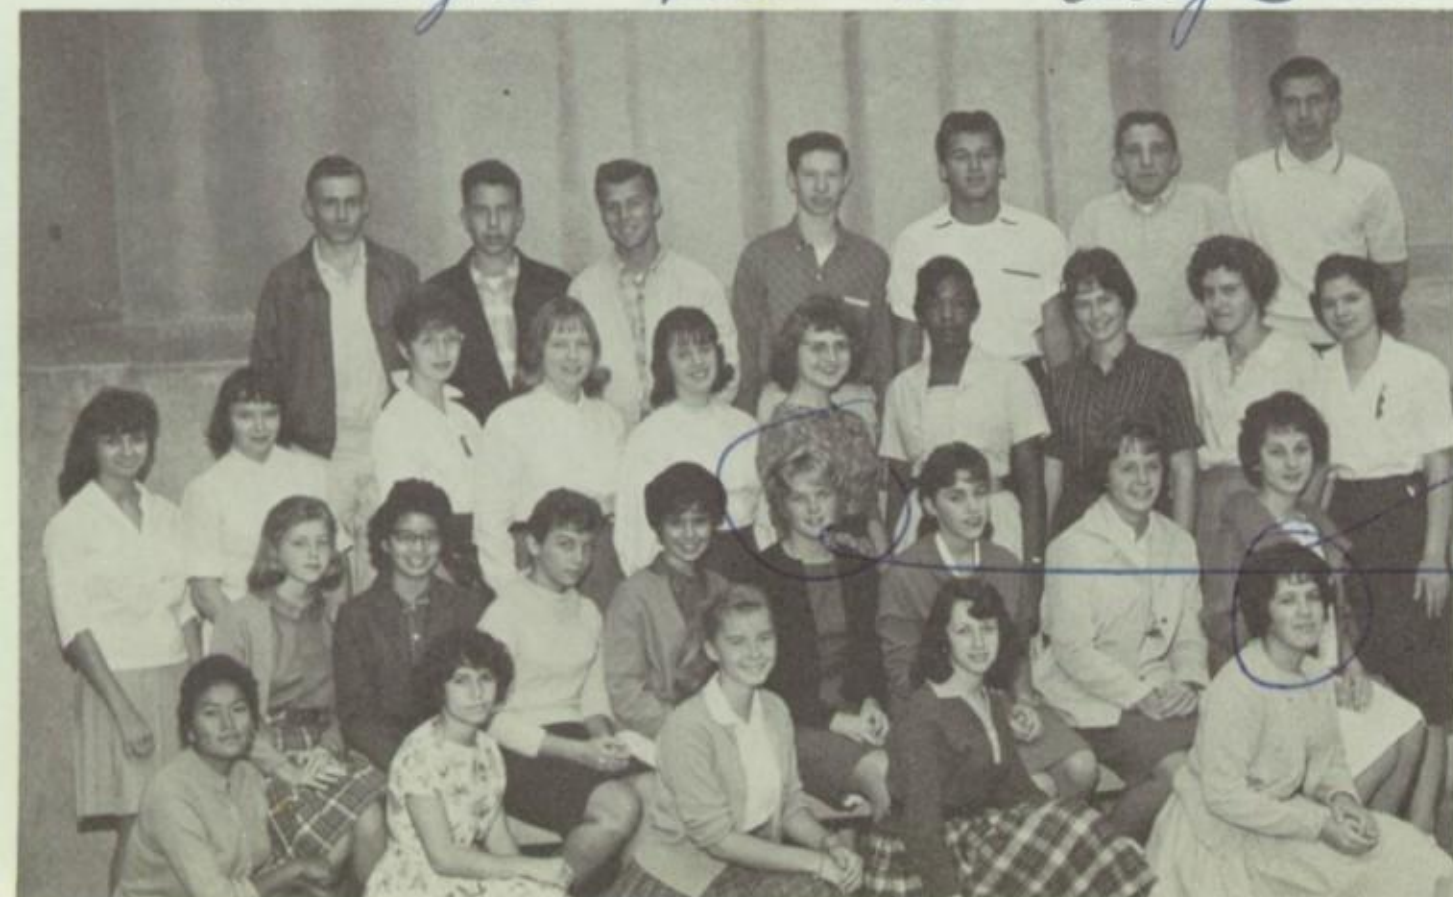

Fall Officers

Under the direction of fall president Bill Uren and spring prexy Carolyn Rickard, the class of '62 held many exciting and varied events.

"Misty," the annual class semi-formal Junior Prom, was scheduled in February. With the supervision of counselor Mr. Norman Nowicki and social chairman Kathy Smith, the prom was the first dance planned by the juniors during the year.

Kirk Altshuler, Susan Langstroth, Carl Mortenson, Carolyn Rickard, Peggy Stark and Lindy Corneille brought honor to the class by being nominated for the foreign exchange program. Lindy, the first to be selected to go, went to New Zealand at the end of Christmas vacation. Supporting the foreign exchange program were the junior class sales of portfolios and the annual chuckwagon breakfast.

Valuable capital for their senior year was brought in by the juniors with the sales of book covers and successful cake sales.

Officers Led Class in Planning,

Looking back over our years at OHS, we can remember our first frightening days. Some of us arrived as freshmen; others, as sophomores. But now we have reached our final phase of high school life; we have attained the status of "high and mighty" seniors.

Leading the seniors this year were Kris Brorstrom and Bob Holman, fall and spring class presidents respectively. Some of the unforgettable events that we, the class of '61, held were the senior picnic at Little Hills Ranch, the senior stomp in our own auditorium, the senior dinner at Goodman's Hall in Jack London Square, and of course, the Senior Ball with the all-night party following at the Scottish Rite Temple.

The largest class to graduate, the class of 1961 will long be remembered at Oakland High. Many of the members of the class brought honor and recognition to the school.

Being the last graduating class to see freshmen at OHS is just one of the memories that will linger on.

There are four members of the faculty that we shall always remember—Mrs. Edith Dick, Mr. Arthur Olson, Mr. Bayard Buckingham, and Dr. Mary Perry — our senior counselors. They have advised us on the courses to take, the colleges to attend; they have given vocational help and guidance for the future.

Now that graduation has arrived, public school education has ended; and the responsibilities of adulthood lie ahead. There is one thing for sure, our years at OHS will never be forgotten.

Bob Holman, spring president, and Kris Brorstrom, fall president, assumed the leadership responsibilities of the senior class this year.

Let's get together often this summer
I know we'll have fun! I.

Donna-kid, I'm so glad you dropped Spanish
or whatever it was you dropped because I
absolutely could not have stood that "100
much" class all year! (ME, MA, MO, now)
Besides it was really great gettin' to
know ya. All our discussions about
Vingo & Carpino... So I'll tell ya
what - you take Vingo & let Sue have
Carpino & Janice & I'll start lookin'
for some new prospects. I've
already got a pretty good start-huh?
Well, hon, I know you're really
gonna have a BAZZ this
summer. Why don't
ya try to come down
I see me sometime
we ought a
have a
exchange

I love you kid and I always will
nomatter where we'll be (I wonder where we'll
be??). I've really enjoyed being in Homeroom
with you, even tho we sit miles apart.
And I've loved being in the same lunch
with you.

I know we'll be alot of each

The Great Class. of '62

Reserved for Wendi — Hi Wendi - Paul

Dear Donna 

Well honey we have been friends for a long time now, and best of friends this year - I hope we continue to be best of friends - and closer yet in the near future. I remember our talks about the years we are going to live together in college - I hope it comes true.

Donna I will never forget all the fun we have had together this year - I just love ^{you} so much. You & Sue are the best friends anyone could ever have - you deserve the best in the world - and I know you will be happy for the rest of your lives if you stay as you are now - darling, sweet - and a wonderful girl (girlfriend also). Be a good girl,

We will have lots of fun this summer, so until later - now I go. Will sorrow but tonight we meet again in happiness!

Love always
to my best friend
Wendi

Donna,
well, it's
the end of
another year of
"drudgery" for everyone
and it's sure been a blast
with you in Geometry. Hope
to see you this summer and have
some classes with you next year!
Love ya,
Carol

[illegible]

Reserved for Regi?

Dear Donna, 

Hi honey? Well it's been fun this year huh? Well this is the end of the year, and things are sure going to be different next year at S.H.S. I'm going to miss everybody, but still the new school will be tough. Things are really starting to change now, but we should all look forward to the new school.

Breaking up with our old friends ~~and~~ is often hard to do, but still the new means new friends and new acquaintances?

Through it all Donna, I sincerely hope with all my heart that we may ^{stay} ~~become~~ as good friends (even better if possible) in the following years to come. You are a very sweet person, and I hope you will never change.

If anything ever does happen to come between us, I really hope you'll never forget me. You have been so nice to put up with me this past year. I know that often ~~you~~ must have gotten on ^{your} ~~my~~ nerves, and that you only smiled and stood it. Donna will never forget you. Good luck always. If ever our paths separate (which they must eventually) I hope you'll still remember.

Most of all Donna, I love you for the sweet, natural, not-put-on person you are.

Love you always,

Regi

Donna,

Oo a real sweet kid who I like very much and who is a real doll. It has been so much snowing and having so much fun with you the past years. Lets always be real good friends and have as much fun as we have in the past years. We have had many arguments but it always seems that I am the wrong one. (oh well I am so dumb) Well this is what is so much fun, we all can't be perfect (like me - haha)

Please excuse my writing but you know the state I am in, it is such a luff feeling.

Love ya Always

Barb

P.S.

I'll never forget you and Sue

Donna -
Honey its really been nice
having you this year. I miss
you all the time and may
God Bless You always
